During the break, our office will be open on 12/28/17, 1/03/18 and 1/04/18

D303 Parent Satisfaction Survey

The deadline has been extended to Monday, December 18.

Don't miss this chance to have your voice heard.

On an annual basis, District 303 conducts a Parent Satisfaction Survey that covers a wide range of topics. We invite all parents of District 303 students to complete the anonymous survey between now and Monday, December 18. We value your opinion! The results of the survey will be presented to the District 303 School Board in early 2018. To complete the Elementary School survey, please click [here](#). Parents can complete one survey for each of their children who attend a District 303 school by selecting "Take the Elementary, Middle, or High School Survey" on the district's website.

Your feedback is very important to us!

Let it snow! Let it snow! Let it snow!

We would like to remind you that all students go outside for recess as long as the temperature (with wind chill) is above zero degrees and it is not raining. Please help us keep them safe and healthy by making sure they are dressed appropriately to go outside on days when it is cold, snowy or windy. **Hats, gloves, scarves, snow pants and boots are necessary for students to play in the snow.** We highly recommend labeling your child's outerwear so it does not end up in the Lost and Found. Thank you!

Classroom Celebrations

Our traditional classroom celebrations will be this Friday, December 22 at 2:00 PM. Because students' safety is our #1 priority, we are asking all families to please refrain from sending any treats or sweets with your children to share with their peers. Any food or treats for these celebrations must be coordinated with the classroom teacher to protect our students with allergies. Thank you for your help in keeping our students safe and healthy!

DID YOU KNOW?

Research shows that students who eat breakfast at school perform better on standardized tests than those who skip or eat breakfast at home. School breakfast also improves a student's concentration, attentiveness, comprehension, memory and learning.*

*Food Research and Action Center (FRAC), "Breakfast for Learning," Spring 2014.

Students eligible for a **FREE** or reduced price **lunch** can also receive a **FREE** or reduced price **breakfast**.

Ask at school today!

The overall wellbeing and growth of our students is a priority!
Encourage your child to take advantage of the nutritious breakfast and lunch meals available at school.

From Anderson Elementary PTO:

**Everyone is a hero...
you just need the courage to put on the cape!**

Anderson PTO

Hope everyone had a relaxing break.

~ Bouna Beef Family Night is 12/19. Yummy!
