Kick-a-thon 2017

~ Kick-A-Thon: A **BIG** Thank You to all our students, families and staff for your generous support in raising funds for this year's Kick-A-Thon to help fight cancer! The proceeds from this fabulous event benefit several organizations like Living Well, the American Cancer Society, and many more. And another **BIG** Thanks to our Student Council, Ms. Weber and Ms. Reyes for coordinating the fundraiser and this afternoon's assembly as well as to all Anderson staff for their support. All students enjoyed seeing their favorite teachers being pied in the face!

With your help and support, we will continue kicking cancer!

Our Brave Staff Members who got pied today!

Mr. Rubio challenged students to raise more than \$100 to pie him and he got pied! ☺

~KEEPING EVERYBODY SAFE AT ANDERSON: Every year, we conduct several drills to make sure students and staff are familiar with and practice safety protocols. We already had our Fire and Severe Weather Drills and all students did a wonderful job! A Law Enforcement Drill has been scheduled for next week and pretty soon we will conduct the Bus Evacuation Drill. Please take a moment to discuss with your children safety protocols at school and at home.

~DATES TO KEEP IN MIND:

- Sept. 17 Constitution Day
- Sept. 18 Vision & Hearing Screenings
- Oct. 5 PTO meeting
- Oct. 7 SIP Day – **NO SCHOOL**
- Oct. 9 Columbus Day – **NO SCHOOL**
- Oct. 16 Book Fair Week starts
- Oct. 17 Book Fair Family Night
- Oct. 19 Picture Re-Take
- Oct. 27 PTO's Spooktacular Fest

Have a marvelous weekend!

From Anderson Elementary PTO:

**Everyone is a hero...
you just need the courage to put on the cape!**

Anderson PTO

The PTO **Art Volunteer in the Classroom** (AVIC) is a program designed to promote the appreciation of art in public schools. Our goal is to help children learn how to look critically at a piece of art, to imagine themselves in the picture or as the artist, to share their insights, and then to work on a related project. We may create our own art or perhaps read or write a story, perform a skit, reinforce math, science, history or social studies skills, or just have fun while learning.

We are looking for volunteers to lead or assist in AVIC classes. No previous art experience is necessary as many lesson ideas and materials are available. Please contact Morgon Mejdrih (mjh913@hotmail.com) with any questions or to volunteer.

Spooktacular 2017 - Anderson's most anticipated fall event is almost here. We are looking for volunteers to help make sure it's a success. Please contact Lisa Cook (Lilimarie82@gmail.com) for various opportunities.

Our next PTO Meeting will be Thursday, 10/5.
