Waiver of Liability

The School District does not provide insurance coverage to non-District personnel serving as volunteers for the School District. The purpose of this waiver is to provide notice to prospective volunteers that they do not have insurance coverage by the School District and to document the volunteer's acknowledgement that they are providing volunteer service at their own risk.

By your signature below:

1. You acknowledge that the School District does not provide insurance coverage for the volunteer for any loss, injuries, or death resulting from the volunteer's unpaid service to the School District.
2. You agree to assume all risk for death or any loss, injury, illness, or damage of any nature or kind, arising out of the volunteer's supervised or unsupervised service to the School District. You also agree to waive any and all claims against the School District, or its officers, Board Members, employees, agents or assigns, for loss due to death, injury, illness or damage of any kind arising out of the volunteer's supervised or unsupervised service to the School District.
3. **If required**, you agree and authorize the School District to conduct a criminal background check and understand that the District will use the Kane County Regional Office of Education to secure fingerprints and that your fingerprints will be checked against State of Illinois records. You also agree that you will be responsible for covering the \$20.00 fingerprinting fee.
